

Cartoon Proposal

Prepared For:

Introduction

Animation videos, also known as cartoons, help deliver effectively concepts and information effectively through audio-visual entertainment. Using this form of information dissemination helps convey to people in simplest terms the complexity of words or phrases through actual examples or in a form of objects. This is likewise cost-effective in terms of expenditures compared to videos using real actors that require expensive cameras and lighting.

We at _____, are composed of cartoonists and artists who have been creating various cartoons for different purposes for several years and have been involved in various animation projects. We have a well-defined process for creating our own style that suits your every need.

Our Process

Preparation

We get to know our clients and their culture through discussion. We immerse ourselves to understand your brand, your business, as well as your mission and vision.

Voice-over

We have talented voice-over artists. However, if you have your own preference or own talent to provide, we would be happy to accommodate your choice.

The Script

Our talented copywriters will prepare your scripts for you based on their interpretation and discussions with you, your content, and any brief that we may acquire from you. We shall provide you with the draft for your approval before we can proceed with production.

Storyboarding and Styling

For proper visualization, we will present a storyboard consisting of at least 10 frames of still images or comic strips for your approval based on the discussion and interpretation of the content provided to us.

Animation

Upon approval of the prior requirements, we proceed with conducting animation and inclusion of sound based on the prior agreements to produce a finished product as we bring your ideas to life.
