CCPA Privacy Policy

Effective Date

Last Updated

Version

(“***Company***,” “***we***,” “***us***,” or “***our***”) respects your privacy. This Privacy Policy explains how we collect, use, disclose, retain, and protect personal information relating to California residents (“***Consumers***”).

This Policy is intended to provide the notices required by the California Consumer Privacy Act, as amended by the California Privacy Rights Act (collectively, the “***CCPA***”). It applies to personal information we collect online and offline, including through our website, applications, products, services, events, communications, and other business interactions.

1. Scope

(“***Company***,” “***we***,” “***us***,” or “***our***”) respects your privacy. This Privacy Policy explains how we collect, use, disclose, retain, and protect personal information relating to California residents (“***Consumers***”).

This Policy is intended to provide the notices required by the California Consumer Privacy Act, as amended by the California Privacy Rights Act (collectively, the “***CCPA***”). It applies to personal information we collect online and offline, including through our website, applications, products, services, events, communications, and other business interactions.

2. Categories of Personal Information We Collect

During the preceding twelve months, we may have collected the categories of personal information shown below. The specific categories we collect depend on how you interact with us.

Category	Examples	Business or Commercial Purposes
Identifiers	Name, email address, postal address, telephone number, account username, IP address, device identifiers	Providing services, account administration, security, communications, and analytics
Customer Records	Contact details, billing details, transaction history, and account information	Providing services, processing transactions, customer support, and recordkeeping
Protected Characteristics	Age, gender, disability status, or other characteristics protected by law, where voluntarily provided or lawfully collected	Providing requested services, accessibility, legal compliance, and internal administration
Commercial Information	Products or services purchased, obtained, considered, or other purchasing history	Order fulfillment, service improvement, customer support, and analytics
Internet or Network Activity	Browsing activity, search history, website interactions, device data, and usage logs	Operating and improving our digital services, security, analytics, and personalization
Geolocation Data	Approximate location derived from an IP address or device settings	Delivering location-based features, fraud prevention, and analytics
Audio, Visual, or Similar Information	Customer service recordings, photographs, video recordings, or event materials	Customer support, security, training, and event administration
Professional or Employment Information	Employer, job title, business contact details, qualifications, and work history	Business relationships, recruiting, and service delivery
Inferences	Preferences, interests, or likely business needs derived from other information	Improving services, communications, and marketing, where permitted

We do not intentionally collect categories of personal information that are not reasonably necessary and

3. Sensitive Personal Information

We may collect sensitive personal information only where reasonably necessary to provide requested services, comply with legal obligations, prevent fraud, protect security, or carry out other purposes permitted by law.

Sensitive personal information may include government-issued identification numbers, financial account information, precise geolocation, account credentials, health information, or other information designated as sensitive under the CCPA.

We do not use or disclose sensitive personal information for purposes other than those permitted by the CCPA unless we provide any required notice and obtain any required consent.

4. Sources of Personal Information

We may collect personal information from the following sources:

- Directly from you, such as when you create an account, submit a form, make a purchase, request support, or contact us.
- Automatically through your use of our website, applications, products, or services.
- From service providers, business partners, affiliates, and vendors.
- From publicly available sources.
- From social media platforms or other third parties when you interact with our content or authorize the sharing of information.

5. How We Use Personal Information

We may use personal information for the following business and commercial purposes:

- To provide, maintain, and improve our products and services.
- To process transactions and administer accounts.
- To communicate with you about your account, requests, products, services, updates, or promotions.
- To provide customer support and respond to inquiries.
- To protect the security, integrity, and functionality of our systems and services.
- To detect, investigate, and prevent fraud, misuse, security incidents, and unlawful activity.
- To comply with legal obligations and enforce our agreements.
- To conduct analytics, research, audits, and internal reporting.
- To personalize content, features, and communications where permitted by law.

6. Disclosure of Personal Information

We may disclose personal information to service providers, contractors, professional advisers, business partners, affiliates, government authorities, or other third parties when necessary for the purposes described in this Policy.

During the preceding twelve months, we may have disclosed the categories of personal information identified in the Categories of Personal Information We Collect clause to service providers and contractors for business purposes, including hosting, payment processing, customer support, communications, analytics, security, and professional services.

We require service providers and contractors to use personal information only for authorized purposes and to protect it as required by applicable law.

7. Sale or Sharing of Personal Information

personal information as those terms are defined by the CCPA.

If we sell or share personal information, we provide a clear method for Consumers to opt out, including through the following link: .

We also honor legally recognized opt-out preference signals, including the Global Privacy Control, where required by applicable law.

8. Retention of Personal Information

We retain personal information for as long as reasonably necessary to fulfill the purposes described in this Policy, comply with legal obligations, resolve disputes, maintain business records, and enforce our agreements.

The retention period depends on the nature of the information, the purpose for which it was collected, the sensitivity of the information, legal requirements, and our operational needs.

9. Your California Privacy Rights

Subject to applicable exceptions and verification requirements, California Consumers may have the following rights:

Right to Know and Access. You may request information about the categories and specific pieces of personal information we have collected about you, the sources from which it was collected, our purposes for collecting or disclosing it, and the categories of third parties to whom we disclosed it.

Right to Delete. You may request that we delete personal information we collected from you, subject to legal and operational exceptions.

Right to Correct. You may request that we correct inaccurate personal information we maintain about you.

Right to Opt Out of Sale or Sharing. You may direct us not to sell or share your personal information, where applicable.

Right to Limit the Use and Disclosure of Sensitive Personal Information. You may request that we limit our use and disclosure of sensitive personal information where this right applies.

Right to Non-Discrimination. We will not unlawfully discriminate against you for exercising your privacy rights.

Authorized Agent. You may authorize another person to submit a request on your behalf. We may require proof of the agent's authority and may verify your identity directly.

California consumers have rights to know, delete, correct, opt out of sale or sharing, limit certain uses of sensitive personal information, and receive equal service when exercising those rights.

10. How to Submit a Privacy Request

To exercise your privacy rights, submit a request using one of the following methods:

Online:

Email:

Telephone:

Mail:

Please include sufficient information for us to verify your identity and understand your request. We will only use information provided in a privacy request to verify and respond to that request.

11. Children's Privacy

Our services are not directed to children under the age of [ ]. We do not knowingly sell or share the personal information of Consumers under sixteen years of age without the affirmative authorization required by applicable law.

If you believe that a child has provided personal information to us without appropriate authorization, contact us at [ ].

12. Security

We use reasonable administrative, technical, and physical safeguards designed to protect personal information. However, no security measure is completely secure, and we cannot guarantee the security of information transmitted to us or stored on our systems.

13. Changes to This Policy

We may update this Privacy Policy from time to time. When we make changes, we will post the updated Policy and revise the Last Updated date above. Material changes will be communicated as required by applicable law.

14. Contact Us
