Job Rejection Letter

_____, _____, _____

Dear _____:

Thank you for your application for the position of _____.

We have reviewed your application for the said position and during the process of screening and shortlisting the candidates for an initial interview. The review has become difficult for us because of the strong pool of candidates. However, we regret to inform you that we have decided to not include you in the list for the next process of the application.

We appreciate your efforts in taking time to apply for the position with our company. You may consider applying for the other positions that we have open. You can check the careers page of our website and apply for the other opening positions that we have.

Again, thank you for applying with us and we wish you all the best.

Sincerely,

Human Resources Administrator
