Introduction

is pleased to submit this proposal for professional tree removal services at the above-referenced property. This proposal outlines the scope of work, project specifications, pricing, responsibilities, and terms applicable to the proposed services.

Our team is committed to performing all work in a safe, efficient, and professional manner while minimizing disruption to the property and surrounding areas.

Project Overview

The Client has requested tree removal services for one or more trees located on the Property. Based on the information available at the time of preparation, proposes to perform the services described in this proposal.

The services will be completed using industry-standard practices, appropriate equipment, and qualified personnel.

Scope of Services

The Contractor shall provide the following services:

Item No	Description of Services	Quantity	Location
1			
2			
3			
4			
5			

Additional services requested by the Client that are not expressly included in this proposal may be subject to additional charges.

Tree Identification

The following trees are proposed for removal:

Tree Description	Approximate Height	Approximate Diameter	Location on Property

The Client acknowledges that the accuracy of tree measurements and descriptions may be based on visual inspection and reasonable estimates.

Optional Services

The following services may be provided upon request and may incur additional charges:

Optional Service	Description	Price
Stump Grinding	Grinding stump below ground level	
Log Removal	Removal of wood and trunk sections	
Firewood Cutting	Cutting removed timber into usable firewood lengths	
Wood Chip Removal	Removal of generated wood chips	
Emergency Services	Expedited or after-hours service	

Client Responsibilities

The Client shall:

- Provide reasonable access to the Property during working hours.
- Ensure pets, vehicles, and personal belongings are removed from the work area.
- Identify any known underground utilities, irrigation systems, septic systems, drainage systems, or other concealed structures that may be affected by the work.
- Obtain any permissions required from homeowners' associations, neighboring property owners, or other parties where applicable.
- Failure to provide access or necessary information may result in delays or additional costs.

Safety and Site Conditions

The Contractor shall perform the work using commercially reasonable safety practices and equipment.
If hazardous conditions are discovered, including unstable trees, hidden decay, utility conflicts, restricted access, hazardous materials, wildlife concerns, or other unforeseen site conditions, the Contractor may suspend work until the condition is addressed. Any resulting changes in scope or cost shall be communicated to the Client.

Safety and Site Conditions

The Contractor shall perform the work using commercially reasonable safety practices and equipment. If hazardous conditions are discovered, including unstable trees, hidden decay, utility conflicts, restricted access, hazardous materials, wildlife concerns, or other unforeseen site conditions, the Contractor may suspend work until the condition is addressed. Any resulting changes in scope or cost shall be communicated to the Client.

Permits and Regulatory Compliance

Unless otherwise stated in this proposal, the Client is responsible for obtaining any permits, approvals, or authorizations required for tree removal.

The Contractor shall cooperate by providing information reasonably required to support permit applications if requested by the Client.

Pricing and Payment Terms

The total fee for the services described in this proposal shall be _____, payable in accordance with the schedule set forth below:

Payment Milestone	Amount	Due Date
Initial Deposit		
Progress Payment		
Final Payment		Upon Completion

All amounts are stated in _____ and are exclusive of any applicable taxes unless expressly stated otherwise.

The Client shall make payment within _____ days of receipt of an invoice. The Contractor reserves the right to suspend work if any payment remains overdue until all outstanding amounts have been paid in full.

Changes to Scope

Any request by the Client to modify, expand, reduce, or otherwise alter the scope of services shall be documented and approved by both parties before the additional work is performed.

Additional work may result in revised pricing, scheduling adjustments, or both.

Warranty

The Contractor warrants that the services will be performed in a professional and workmanlike manner consistent with generally accepted industry standards.

Except for the foregoing warranty, no other warranties, express or implied, are provided regarding the condition of the property, future tree growth, soil conditions, underground conditions, or the health of remaining vegetation.

Proposal Validity

This proposal shall remain valid for acceptance until _____. If not accepted before that date, pricing and scheduling availability may be subject to revision.

Acceptance

By signing below, the Client acknowledges that they have reviewed this proposal, understand its contents, and authorize the Contractor to perform the services described herein in accordance with the terms stated above.
